A dirt path winds through a lush green field towards a hazy horizon under a bright, golden sky. The scene is bathed in the warm light of a low sun, creating a soft, ethereal atmosphere. The path is flanked by tall grasses and some dry brush. In the distance, a range of mountains is visible through a light mist or haze.

All the way my Savior leads me,
Cheers each winding path I tread,
Gives me grace for every trial,
Feeds me with the living bread.
Though my weary steps may falter,
And my soul athirst may be,
Gushing from the Rock before me,
Lo! a spring of joy I see,
Gushing from the Rock before me,
Lo! a spring of joy I see.

1 Thessalonians 2:18

Wherefore, we would have come unto you, even I, Paul, once and again; but Satan hindered us.

to do
God's
will, "but

Satan

"but God
meant it
unto
good"

Put an

the way
(I Thess 2:18)

A dirt path winds through a lush green field towards a bright, hazy horizon. The sun is low in the sky, creating a warm, golden glow over the entire scene. In the distance, a range of mountains is visible under a soft, overcast sky. The path is flanked by tall grasses and some dry, brown stalks, leading the eye from the foreground into the vast landscape.

All the way my Savior leads me,
Cheers each winding path I tread,
Gives me grace for every trial,
Feeds me with the living bread.
Though my weary steps may falter,
And my soul athirst may be,
Gushing from the Rock before me,
Lo! a spring of joy I see,
Gushing from the Rock before me,
Lo! a spring of joy I see.
